ABOUT DOMUS VENTURES

COMPANY PROFILE

Since it was first established in 1997, DOMUS VENTURES has grown to be a prominent global player in the furniture industry, supplying high quality outdoor and indoor furniture to all parts of the globe. We have over 2200 dedicated staff in our factories and offices in China, Indonesia, Singapore, Germany and the United States with export over 1600 containers each year.

Over the years, we have designed and manufactured stylish high quality furniture using materials such as teak, natural wicker, loom, paper fiber and resin wicker. We take pride in constantly create new innovative designs in combination with new materials. We stand behind our unique designs, high quality products and our commitment to excellence. Our customers all over the world recognize the high quality "Domus Standard" benchmark that we maintain for every piece of furniture we produce.

Our in-house design team actively collaborates with international designers to create unique yet stylish designs. Whether modern or contemporary pieces, our goal is to create the perfect setting for your homes and lifestyle whatever the taste, budget and requirement might be.

Apart from our own Domus branded furniture, we also produce custom-made designs for private labels.

Last but not least, our commitment is not only reflected through the high quality of our products, but also the responsiveness and high level of professionalism provided by our customer service team in ensuring that all our clients are more than 100% satisfied.

We hope that you enjoy our furniture as much as we enjoy creating them.

Any violation of our copyrights, design rights and trademark rights as well as of our other rights may have severe civil law and/or criminal law consequences.

DOMUS VENTURES WARRANTY TERMS

Domus Ventures offers limited warranty as such for Residential use:

Resin Wicker (HDPE) Vinyl:

Domus Ventures warrants its wicker against excessive discoloration, wicker separation and tearing for 3 years.

Frames:

We warranty our aluminum frames against manufacturing defects, frame structural failure, peeling, cracking and blistering on the powder coat finish for 3 years.

Cushions:

Domus Ventures only warranties our cushions against defects on sewing for 1 year. We do not warranty fading, deterioration of fabrics or foam and filler material.

Glass:

No warranty

Commercial Warranty:

Same as above with the limitation of 1 year for frame and resin wicker vinyl.

Exclusions:

Domus Ventures limited warranty does not cover damages caused by Act of nature, improper care & maintenance, improper shipping and handling, freeze/fire damage, unreasonable/abusive use, normal wear and tear, pet damage, failure to follow instructions, self modification/alterations, harsh chemical use or spill including suntan lotion.

General:

Warranty starts at time of retail sale to customer. Original invoice is required to establish in-service date and proof of purchase. It is the option of Domus Ventures to repair or replace defective goods. If product is no longer in stock, we reserve the right to substitute similar item(s).

domus ventures

OUR COMMITMENT

GREEN CAMPAIGN

Domus Ventures Pte. Ltd. aspires to environmental and economic sustainability as a socially responsible business. Our commitment is reflected in all aspects of our business operations from selection and harvesting of materials through manufacturing practices to our relationship with employees, customers, and the global society.

Recyclable And Renewable Resources

Most of the components we use in our manufacturing processes are recyclable. The primary components of our outdoor furniture are aluminium and HDPE, which are 100% recyclable. We also employ reusable, recyclable and biodegradable brown Kraft paper to pack our finished goods.

Manufacturing And Waste Management

Our products are developed in a manner that minimizes impact on the environment. For example, our factory in China is equipped with a sewage treatment plant that filters excess powder coating to ensure that the water flowing back into the river is toxic-free and has a pH of 6-9.

We are concerned not only with the global environment but also with the well-being of our workforce. We meet and surpass requirements associated with government labor laws.

No Child Labor

We strictly follow policies relating to child labor and will not employ any child.

Benefits

All factory workers are protected with health insurance and industrial accident insurance. We also enroll our workers in government pension plans.

Allowances

Our workers receive standard meal allowances as well as supper allowances for the night shift and/or overtime

hours. We also provide pay differentials to accommodate for high temperatures during the summer months, June to September.

Other Facilities

We offer a 6-months onsite training program in weaving. Many plants have athletic facilities, such as volleyball courts and badminton fields. We also have weekly exercise sessions with professional instructors.

Abaco XF

THE OUTDOOR FIBRE

Domus products are woven with high quality all-weather Abaco XF wicker

- Extruded from High Density Polyethylene
- Fully customizable color, surface texture, appearance and design
- Environmental-friendly
- Outstandingly weatherproof
- UV resistant
- Dirt resistant
- Easy to clean
- Maintenance free
- Laboratory tested

domus ventures

HIGH QUALITY MarinaPLUS

Marina
PLUS

Domus Ventures further echoes its niche in creating functional, outstanding and distinctive outdoor furniture using hardwearing, high quality MarinaPLUS.

MarinaPLUS - an outdoor synthetic leather commonly used on yachts for its durability to withstand various weather conditions out at the open sea. Complementing our furniture as fully outdoor resistant, this synthetic leather assures the highest level of dimensional stability and stretch-resistant for maximum comfort and luxury.

Marina products are skillfully upholstered using MarinaPLUS onto hand woven, lightweight and powder coated aluminum frames. Using HDPE resin wicker that is UV resistant and cool to touch even in hot weather; these textured in appearance resin wicker requires very minimal maintenance.

Absolute comfort

- UV resistant and UV reflective to prevent heat build up
- Soft and comfortable texture
- Repels water

Weathering

Laboratory tested to withstand temperature between -20 °C to 60 °C (-4 °F to 140 °F)

Cleaning and Maintenance

- For best results, clean spills and soils immediately
- Ordinary dirt and grime can be removed with mild soap and water
- Do not use chemical detergents or solvents to clean
- If required, use marine synthetic leather cleaners and conditioners.
Available at marinas and boat stores*
- Do not leave furniture uncovered under trees or plant life when not in use.
- To avoid stubborn stains and maximum endurance with less maintenance, furniture should be covered when not being used and cleaned on a regular basis*

**We do not take responsibility for any sort of damage(s) or side-effect(s) as a result of using commercial cleaners. Refer to cleaning instructions stated on package before treatment. Be sure to test cleaner on hidden or inconspicuous location prior to using any cleaner on soiled areas.*

StoneTEC

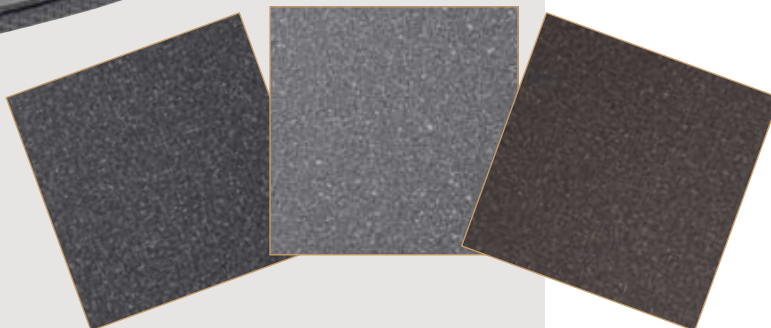

StoneTEC is a 5-layer composite system comprising high-performance bonding agents, natural mineral granules, hard-wearing topcoat with UV inhibitors applied onto tempered glass surface.

- Stone-effect finish
- Weights up to 80% less than traditional stone
- Can be used for outdoor and indoor
- High tensile strength

Cleaning and Maintenance

- Clean the tabletop regularly using a soft brush and lots of water.
- If heavily soiled, you may add a small amount of diluted washing-up liquid to lukewarm water, then rinse thoroughly with clean water.
- To prevent damaging your tabletop, please avoid the following:
 1. Do not cover the table with plastic or canvas tablecloth. This can encourage the growth of mould which may discolor the tabletop surface.
 2. Do not use strong chemical cleaning agents, abrasives or solvents. These will damage the surface finish.
 3. Dry-up any spillage with a damp cloth or sponge.
 4. Do not allow any spilled wine or vegetable oil to stand for any length of time as these may create stains. Clean-up quickly.

WoodTEC

WoodTEC is a wood-plastic composite made out of wood fiber and plastics. It combines both the advantages of wood-like surface texture with durability of plastic.

A major advantage over wood is the ability of the material to be molded to meet almost any desired spatial conditions and requires less maintenance than the solid wood. It behaves like wood and can be shaped using conventional woodworking tools.

They are moisture-resistant and resistant to rot but they are not as rigid as wood and may slightly deform in extremely hot weather.

- Moisture-resistant
- Resistant to rot
- Weatherproof approx. from -20° C to 60° C (-4 F to 140 F)

Cleaning and Maintenance

1. Clean the WoodTEC regularly using a soft sponge or cloth and lots of water. If heavily soiled, you may add a small amount of diluted washing-up liquid to lukewarm water, then rinse thoroughly with clean water.
2. To remove oil and stains as soon as they occur by using household de-greasing agent and stiff bristle brush to scrub away any greasy and oily stains, and later rinsing it with warm water.
3. Pressure washing is also a good idea from time to time to remove built-up dirt and debris. When using a pressure washer, do not exceed 1800psi with a 20-degree nozzle.
4. Do not use sharp object to scratch the surface. This can leave permanent scratch mark on the surface.

domus ventures

DOMUS OUTDOOR FURNITURE COVER

Furniture covers are essential if you want to keep your patio or garden furniture in pristine conditions. You can extend the life of your outdoor furniture by covering each furniture piece with a high quality, durable Domus Outdoor Furniture Cover.

The durable and water-resistant cover is made of 100% Polyester with extra coating and laminated sewing seams.

Domus Ventures offers 5 different cover sizes with adjustable buckles to meet your different needs.

Coco Island Gazebo split into two parts

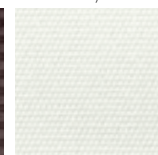

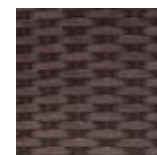

COCO ISLAND

Coco Island Lounge is a stylishly designed sectional outdoor dining in the sun or relaxing evening gatherings. With its Yin-Yang symbol roof structure; seating segments can be separated into two segments, joined together or place coffee table between segments for a perfect alfresco dining experience.

- Move Yin-Yang roof segments apart into two cozy sitting sections
- Easy-to-dismantle roof structure from modular chairs
- Modular chairs can be rearranged according to your preference
- Curtains can be drawn for shading or privacy
- Table is stabilized with stainless steel base plate to ensure stability

WAREHOUSE PROGRAM FABRIC LIST

domus ventures

Domus warehouses the collections with four types of cushions. Available in either a Solution Dyed Polyester (SDP) fabric or marine grade vinyl; both made for outdoor use and longevity. Suchion types are noted with the product.

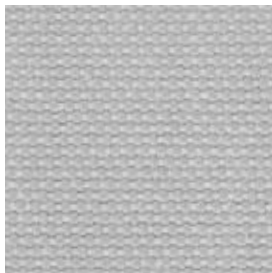

The cores are constructed with foam, polyester fibers and non-woven polyester fabric. Foam is layered with polyester fibers to create the soft and comfortable seat comfort. Non-spun polyester fabric is used to keep the foam and polyester fibers neatly together as well as to enable end user to remove covers for washing.

Colors and fabric noted in collections or individual items of the catalog as follows:

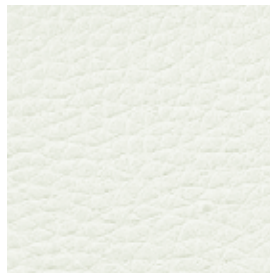

Olefin Latte

Grey Wash

Marina Cream

Olefin Warm Grey

SDP Ivory

SDP Winter

*Actual colors might slightly vary than shown by the images.
